This Specific Role Profile sheet covers specific areas of activities that are not included in the Generic Role Profile. It will include responsibilities, knowledge, skills, delivery and working arrangements relevant to this role. Please ensure that this is read and in conjunction with the given family role for the post.

Profile Owner: Head of ROCU

POLICE STAFF

ROLE SPECIFIC INFORMATION	
Job Title:	WMRCCU Regional Cyber Protect Coordinator
Generic Role Profile:	Operational
Salary Band:	WMP Grade 6
Operational / Non-Operational Role	Operational
Vetting Level:	MV / SC
Reporting to:	ROCUWM Sgts
Specific Role Purpose:	To provide the West Midlands Regional Cyber Crime Unit with a coordinated approach to delivering crime prevention advice within our communities in line with the Protect strand of the 4P Strategy in the Serious and Organised Crime Strategy. Responsible for contributing to the strengthening of national cyber defences and to providing a coordinated approach to delivering cyber security strategies coordinated with our regional forces cyber protect officers. Providing specialist cyber security advice in a joined-up approach with the national Protect Network coordinated by the City of London Police (CoLP).

SPECIFIC COMPETENCIES REQUIRED FOR EFFECTIVE PERFORMANCE	
Knowledge & Experience *This section should detail the requirement of previous experiences and knowledge gained from academic qualifications if appropriate, e.g. significant experience of administrative duties, degree level educated.*	
Essential:	• Cyber Security Qualification and/or Accreditation • Technical Cyber Threat understanding / knowledge / experience • Ability to present to a variety of audiences • Ability to assess, plan and deliver strategies • Strong presentation skills

	• A desire to continuously learn new skills and update knowledge • Full UK driving licence
Skills *This section should detail the competency requirement which could be developed through non formal training, e.g. effective time management, influencing and negotiating, effective communication including written and verbal.* *Refer to skills database for core operational skills*	
Essential:	• Strong communication skills, with the ability to present to a variety of audiences, including senior management level and external business / community groups. • Ability to lead others and to engage them in alternative ways of thinking. • Ability to build strong relationships with external and internal partners to develop and execute the protect strategy. • To develop and deliver innovative Cyber Protect products to various diverse audiences across multiple platforms – both digital and physical. • To understand and identify new threat trends and adapt delivery to offer suitable mitigation advice. Use CoLP data relating to regional victims, to identify emerging trends, offending hotspots and victims likely to be targeted to help inform the targeting of protect delivery. • To coordinate the Cyber Protect strand of business with our regional force's cyber protect officers – this might be done through taking lead roles. • Attend Regional Meetings to identify further requests for crime prevention in our communities, identify opportunities to improve this delivery and agree coordinated and effective response. • Post Holder to manage their own day to day responsibilities around victim care. • Regular liaison with the CoLP regarding the national Protect initiatives and coordinate national direction of Protect strand.

Hours of Work and Flexibility:	Monday to Friday 8am – 4pm, although flexibility is required for regional commitments. You must be able to work remotely and across force areas, under minimal supervision.
